(Second Week of Summer Clearance Sales.)

A Buying Opportunity That Comes But Once a Year.

Our Summer Clearance Sales have become a yearly event of such importance to economical buyers' that many wait weeks and weeks for this occasion to take place.

It's really the Bargain Season of the year. Most everything is reduced regardless of cost. The one purpose is to clean out stock for our Fall Goods-and a clean-out it must be. Our prices usually have the desired effect. We put them so low that you can't help but consider them.

If we quoted all the prices here it would fill the entire page, so we only tell you to come and judge our method of clearing stock.

The saving you can make by buying here will more than pay your fare.
